APPENDIX F: Certification of Substantial Harm Determination Form 31

APPENDIX G: Documentation of Employee Training 32

APPENDIX H: Checklist of Items to Implement Plan 33

APPENDIX I: Important Sections from Minnesota PCA Rules 34

APPENDIX J: Available Spill Clean-up Contractors 38

APPENDIX K: Material Safety Data Sheets 39

TABLE OF CONTENTS TO ASSIST IN ACCESSING INFORMATION

Note that this typical plan predates the 2002 EPA regulatory changes. Since this time, there have been hundreds of modifications to the base plan information.
